

In the late 1960s and early 1970s, ordinary women affiliated with the women's movement were responsible for a veritable explosion of periodicals, poetry, and manifestos, as well as performances designed to support do-it-yourself education and consciousness-raising. Kathryn Thoms Flannery discusses this outpouring and the group education, brainstorming, and creative activism it fostered as the manifestation of a feminist literacy quite separate from women's studies programs at universities or the large-scale political workings of second-wave feminism. *Feminist Literacies* explores these truly radical feminist literary practices and pedagogies that flourished during a brief era of volatility and hope.
