

Huckleberry "Huck" Webb cares only about the two F's in life " fighting and being the man-whore he is you can figure out the other. As an up and coming celebrity in the MMA world, he can have all the women he wants, no strings attached. And he does. Chelsea Harmon is the good girl in a mess. She lived her life under the long arm of the law, her detective father. She couldn't wait to escape. The big world out there was hers for the taking. Only if something is too good to be true, it usually is. The good girl finds herself in a very bad situation with a very powerful and wealthy man. Everything changes for them both when Chelsea gets the call to come home. Her mom has stage four breast cancer and the future is uncertain. Doing what a good girl should, she drops everything and finds the perfect excuse to run from her present situation. What happens when two complete opposites find themselves together once more? Can Huck handle Chelsea's past? Can Chelsea face it all and come out on the other side? After walking away once before, can Huck forgive the girl who always held his heart?
