

The Dark Triad is an immoral trifecta of personality traits that result in immense personal power. It grants high social status, tight control over interpersonal social dynamics and elicits intense sexual attraction. It's for these reasons that many men interested in red pill philosophy likewise have an interest in the dark triad and idealize ascertaining the psychological state of "being dark triad" or at least a simulacrum of such a state. These men see power embodied within specific personality traits and they want to know "how can I be like that?" "How can I be the successful asshole?!" The truth of the matter is that if you did not neurologically develop a dark triad personality as a child, you will never be completely dark triad in the truest sense of the classification. The dark triad is essentially not something one can be trained to become, however it can be reverse engineered and emulated. In this book I will teach you the traits to become a Powerful Man!
